### **For your information**

### **Some terms have specific definitions**

When we use the following term in this SPDS, we mean the definition we give here.

Fully vaccinated means:

- having had a COVID-19 vaccine that has been approved by the Therapeutic Goods Administration
- having followed the Therapeutic Goods Administration recommendations relating to dosage and any booster vaccine requirements
- having completed the time period between the last vaccination and when the Therapeutic Goods Administration considers a person to be fully vaccinated

If you or the *relevant person* can't be vaccinated for medical reasons, this is not fully vaccinated and cover will not apply.

Being below the age of eligibility to receive a vaccination means cover will apply, subject to all the terms and conditions.

Other words or phrases in italics have a specific meaning which can be found in your PDS.

In addition to the words in italics, the following words also have specific meanings:

- 'we', 'us', and 'our' means Southern Cross Travel Insurance
- 'you', 'your', and 'yourself' means the insured people named on your Certificate of Insurance

To improve the readability of this document, these words have not been put in italics.

For the purposes of the conditions of cover in the policy, diagnosed with COVID-19 is an *unexpected event*.
